

WHAT'S YOUR IRA I.Q.?

DID YOU KNOW THAT:

Your IRA may buy real estate totally tax deferred?
You can leverage your IRA's assets with a Non Recourse loan?
Your IRA can buy a business, trade foreign currency, buy TICs,
invest in NNN leases, partner in an oil well,
make loans to fellow entrepreneurs?

Whether your IRA aptitude would impress Einstein
or embarrass a certain ill-fated flightless bird, let us show how
you can transform your IRA, SEP, 401K, 403B or other qualified plan
into a Self Directed IRA or Solo 401K that YOU control,
with potentially huge tax advantages!
